

April 3, 2020

Dear SJA Families,

As you are aware, the situation surrounding COVID-19 is changing daily. This makes it extremely difficult in planning for the remainder of the school year and looking at potential return dates to campus. **Due to the ever-changing circumstances, we wanted to share that Distance Learning at SJA will continue until further notice.**

As we evaluate the situation moving forward for the remainder of the year and if/when we will be able to return to campus, school administration will continue to monitor updates from our county/state leaders and the Catholic Schools Office of the Diocese of Brownsville. SJA will be communicate any future changes and/or updates with families immediately.

In the meantime, know that SJA administration is strategizing alternative arrangements, should they be necessary, for those school events that may be affected by the COVID-19 situation including Prom, Style Show, Baccalaureate Mass, and graduation ceremonies for the Class of 2020. These are important events for the school community, and we are committed to ensuring they are appropriately and deservingly celebrated.

We thank you for your continued flexibility and cooperation during these difficult times. Please know that we keep all of you in our prayers and are eager for the day that we can be together again. Be safe and be well.

Blessings,

SJA Administration
